Arrangement relative a l'approvisionnement des sièges

E60PQ-120001/072/PQ – Ottawa

An aerial, top-down view of a modern office space. The layout is complex and modular, featuring several distinct zones. In the upper left, there are curved, semi-circular desks with chairs. The center and right areas contain various rectangular and circular desks, some with chairs, and some enclosed by glass partitions. A large, long rectangular table is positioned on the right side. The lower left area features a prominent red-colored desk arrangement. The overall design is flexible and adaptable, with many individual pieces of furniture scattered throughout the space.
